

# Keys to The House That Love Built

**RMHC**  
Kansas City

Keeping families close

## Frequently Asked Questions

\*\* Why collect old keys? This is a fun way to clean out your drawers, it's good for the environment, and you benefit Ronald McDonald House Charities of Kansas City.

\*\* What happens to the keys? They will be recycled at Advantage Metals, our participating recycler. The money raised from the recycling project will go to House operations to help the families who stay at the Ronald McDonald House Charities of Kansas City.

\*\* What keys do we accept? We accept loose keys. We do not accept any keys with added plastic coatings. Please remove key rings.

\*\* How can we deliver our keys? You may drop off your keys at 2502 Cherry St. KCMO 64108 from 9am-8pm daily. The House Manager or volunteer will accept your keys and take your name and address so we can keep you updated on future recycling events and other opportunities to help the families and kids at Ronald McDonald House Charities.

\*\* We have only a few old keys, can we help in some other way? Yes, we need you! Please visit our website: [www.rmhckc.org](http://www.rmhckc.org). to see different volunteer opportunities: make a meal, gather wish list items, collect pop-tabs (our long-standing recycling project in which we partner with individuals, businesses, service clubs, religious organizations and more than 200 schools across Missouri and Kansas).

\*\*How can I find more keys? Good places to ask are: locksmiths, hardware stores, realty companies, apartment houses, hospitals, banks, car dealers. Most businesses are happy to donate their keys. If you give us the business name and address, we'll send them an acknowledgement for their donation to help the families and children who stay at the Ronald McDonald Houses.

\*\* More questions? Contact Alan Lubert, Community Outreach Manager, Ronald McDonald House Charities: [alubert@rmhckc.org](mailto:alubert@rmhckc.org); (816) 842-8321 ext. 118.

**Thank you for helping the families and kids at RMHC  
Kansas City**

**And thanks for helping us recycle!**
